

“the people of Japan believe that everyone has an Ikigai—a reason for being,
Finding it requires a deep
and often lengthy search of self. According to those born on Okinawa, the island
with the most
centenarians in the world, ikigai is the reason we get up in the morning. It is
the thing that drives us
and gives our life meaning. It’s the intersection of what you love, what you're
good at, what the world
needs, and what you can be paid for.”
